

When Jesus walked the earth, many went to see Him and hear Him speak. After listening to Him, most returned to their homes and their families. *But some left everything and followed Him wherever He went.*

Mary, my Mother, please pray for me that I may know the plan God has marked out for my life. If I am to be set aside as a religious, consecrated for the worship of God alone, intercede for me that the Holy Spirit will enflame me with great love and a generous, courageous heart. If he is calling me to be His bride, with joy I will say, "I DO!"

***I will follow the Lamb
wherever He goes***
